Active Transportation and Livable Communities Group

September 18, 2013

Purpose

The Active Transportation and Livable Communities (ATLC) group includes California Department of Transportation management and external stakeholder representatives. The ATLC group meets quarterly to discuss and recommend solutions and action items pertaining to active transportation and livable community concepts.

Participant and Organization Information

1. California Department of Transportation

A. Planning and Modal Programs

Kome Ajise, Acting Deputy Director, Planning & Modal Programs

Email: kome.ajise@dot.ca.gov, phone: 916-654-5368

1120 N Street, MS 49, Sacramento, CA 95814

The Planning and Modal Programs include the Divisions of Transportation Planning, Local Assistance, Rail, Mass Transportation, Transportation System Information, and Aeronautics.

• Transportation Planning

Katie Benouar, Chief, Division of Transportation Planning

Email: katie.benouar@dot.ca.gov, phone: 916-653-1818

Website: http://www.dot.ca.gov/hq/tpp/ 1120 N Street, MS 32, Sacramento, CA 95814

The Division of Transportation Planning (DOTP) works to implement statewide transportation policy through coordination and development of transportation plans and their resulting transportation projects. DOTP's goal is to provide a multi-modal transportation system that increases system capacity and consumer choice, improves safety, enhances quality of life, and supports economic vitality.

Alyssa Begley, Chief, Office of Community Planning

Email: alyssa.begley@dot.ca.gov, phone: 916-651-6882

Website: http://www.dot.ca.gov/hg/tpp/offices/ocp/index.html

1120 N Street, MS 32, Sacramento, CA 95814

The Office of Community Planning (OCP) works to address a statewide need for community-sensitive approaches to transportation decision-making. A primary goal of OCP is to enhance the Department's leadership role in the development of community-based transportation planning, including engaging the public. The OCP also allows for the development of transportation projects that enjoy public support, and are easier to develop and deliver because of consistency with community values.

Local Assistance

Rihui (Ray) Zhang, Interim Chief, Division of Local Assistance

Email: Rihui.Zhang@dot.ca.gov, phone: (916) 654-3507 Website: http://www.dot.ca.gov/hq/LocalPrograms/

1120 N Street, MS 1, Sacramento, CA 95814

The Division of Local Assistance assists local agencies in taking advantage of state and federal funded transportation programs. The District Local Assistance Offices, coordinated by the Division of Local Assistance in Sacramento, process project funding applications, federal documents, and serve as the primary contact for local agencies.

Kevin Pokrajac, Local Assistance, Chief, Office of Special and Discretionary Programs

Email: kevin.pokrajac@dot.ca.gov, phone: 916-653-7409

Web: http://www.dot.ca.gov/hq/LocalPrograms/DiscretionaryFunds/discretionary_programs.htm

1120 N Street, MS 1, Sacramento, CA 95814

The Local Assistance Program (LA Program) oversees more than \$1 billion annually available to over 600 cities, counties, and regional agencies for the purpose of improving their transportation infrastructure or providing transportation services. This funding comes from Federal and State programs designed to assist the transportation needs of local agencies. Annually, over 1,200 new projects are authorized through the LA Program of which approximately 700 are construction projects. The LA Program, made up of the Division of Local Assistance in Headquarters and 12 District Local Assistance Offices, assist Local and Regional Agencies by ensuring specific program requirements are met, project applications are processed, and projects are delivered.

• Mass Transportation

Jane Perez, Chief, Division of Mass Transportation Email: <u>jane.perez@dot.ca.gov</u>, phone: 916-654-8144 Website: <u>http://www.dot.ca.gov/hq/MassTrans/</u> 1120 N Street, MS 39, Sacramento, CA 95814

The Division of Mass Transportation (DMT) is responsible for the administration of State and Federal Grant Programs that provide funding for operating assistance and capital improvement projects. DMT provides technical assistance to agencies responsible for public transportation services including buses; demand-responsive accessible services for the elderly and disabled; rural transit; commuter and urban rail services; and waterborne ferry operations. DMT is also the lead on department activities related to Transit-Oriented Development (TOD).

B. Project Delivery

Karla Sutliff, Project Delivery Deputy Director (Chief Engineer)

Email: <u>karla.sutliff@dot.ca.gov</u>, phone: 916-227-8800 Website: http://www.dot.ca.gov/hq/projmgmt/index.htm

1120 N Street, MS 49, Sacramento, CA 95814

Project Delivery's role is to facilitate the delivery of capital projects on the State Highway systems that will improve the movement of people, goods, and services across California.

Design

Tim Craggs, Chief, Division of Design

Email: tim.craggs@dot.ca.gov, phone: 916-654-3858
Website: http://www.dot.ca.gov/hq/oppd/index.htm

1120 N Street, MS 28, Sacramento, CA 95814

The Design Program's primary goal is to provide the procedures, policy, standards, guidance, technical assistance, and training needed to facilitate California transportation improvements and system integrity.

C. Maintenance and Operations

Steve Takigawa, Deputy Director, Maintenance & Operations Email: steve.takigawa@dot.ca.gov, phone: 916-654-6823

Website: http://www.dot.ca.gov/hq/maint/ 1120 N Street, MS 49, Sacramento, CA 95814

The Maintenance Program's goal is to protect public safety and preserve California's highway system by maintaining and repairing the system and responding to emergencies so travelers and goods reach their destinations safely and efficiently.

• Traffic Operations

Dennis T. Agar, Chief, Division of Traffic Operations Email: dennis.t.agar@dot.ca.gov, phone: 916-654-2352

Website: http://www.dot.ca.gov/hq/traffops/ 1120 N Street, MS 36, Sacramento, CA 95814

The goal of the Division of Traffic Operations is to maximize traffic efficiency and safety while minimizing inconvenience and congestion on the highway system.

D. External Affairs

Melanie Perron, Assistant Deputy Director, Legislative Affairs Email: melanie.perron@dot.ca.gov, phone: 916-653-4602

1120 N Street, MS 49, Sacramento, CA 95814

The Legislative Affairs office analyzes proposed legislation and recommends positions for the Department. The office also responds to inquiries from legislators, legislative staff, and local government officials; coordinates with other State and local transportation interests; and develops legislative proposals.

2. California Department of Housing and Community Development (HCD)

Lisa Bates, Deputy Director, Housing Policy Development

Website: http://www.hcd.ca.gov/

2020 West El Camino Avenue, Sacramento, CA 95833

The California Department of Housing and Community Development (HCD) provides leadership, policies, and programs to preserve and expand safe and affordable housing opportunities and promote strong communities for all Californians.

3. California Department of Public Health

Lisa Cirill, Acting Chief, California Center for Physical Activity

Email: lisa.cirill@cdph.ca.gov, phone: 916-552-9943

Website: http://www.caphysicalactivity.org/

1616 Capitol Avenue, Suite 74-420, MS 7211, Sacramento, CA 95814-5052

The California Center for Physical Activity works to create opportunities for everyday physical activity by connecting partners to active living resources and helping develop more walkable and bikeable communities.

4. Rails-to-Trails Conservancy

Laura Cohen, Director, Western Region, Rails-to-Trails Conservancy

Email: <u>laura@railstotrails.org</u>, phone: 415-814-1100 Website http://www.railstotrails.org/index.html

235 Montgomery Street, Suite 769, San Francisco, CA 94104

Rails-to-Trails Conservancy (RTC) is a 501c(3) nonprofit organization established in 1986 to take advantage of the opportunity presented by widespread railway abandonment to create public, multi-use trails for transportation and recreation. RTC's mission is to enrich America's communities and countryside by creating a nationwide network of public trails from abandoned rail lines and connecting corridors. The main RTC office is in Washington, D.C., and it operates the National Transportation Enhancements Clearinghouse (NTEC) on behalf of the Federal Highway Administration, which monitors the Transportation Enhancement programs in all 50 states. The Western Regional Office in San Francisco, one of RTC's Field Offices in six states, offers trail advocacy and technical assistance services to communities across the Western region.

5. Local Government Commission

Judy Corbett, Executive Director, Local Government Commission

Email: jcorbett@lgc.org, phone: 916-448-1198

Website: http://www.lgc.org/

1303 J Street, Suite 250, Sacramento, CA 95814

The Local Government Commission (LGC) is a nonprofit, nonpartisan, membership organization working to build livable communities. The LGC is composed of forward-thinking elected officials, city and county staff, and other interested individuals. The LGC exists to inspire and promote the leadership of local elected officials and others to address the problems of our day through the implementation of innovative policies and programs leading to the efficient use of civic, environmental, and economic resources. The mission of LGC is to provide local elected leaders a forum for sharing ideas, receiving inspiration, and providing technical support to create and implement innovative policies and programs that foster a sustainable environment, a strong economy, and social equity through civic involvement.

6. California Bicycle Coalition

Dave Snyder, Executive Director, California Bicycle Coalition

Email: dave@calbike.org, phone: 916-446-7558

Website: http://www.calbike.org/

1017 L Street, #288, Sacramento, CA 95814

The nonprofit California Bicycle Coalition (CBC) represents the interests of California's 7,000,000 bicyclists and its 3,000 dues-paying members. CBC is a co-sponsor of the Safe Routes to School Bill of 2001 and annually organizes the California Bike Commute. CBC develops and promotes legislation and represents bicyclists and the bike industry at the Capitol in Sacramento, and works with state agencies like the Department of Health Services and Caltrans to advance pro-bicycling policies. CBC also provides technical support to local bicycle advocacy coalitions and individual activists throughout the state.

7. Bay Area Bicycle Coalition (BABC)

Diana Rohini LaVigne, Board Member

Email: dianarohini@bayareabikes.org, phone: 415-787-2893

Website: http://www.bayareabikes.org
P. O. Box 2214, Novato, CA 94948

The Bay Area Bicycle Coalition (BABC) promotes safe and enjoyable bicycling for everyday transportation and recreation throughout the San Francisco Bay Area. BABC's goal is to make the San Francisco Bay Area a national model for progressive bicycling policies, and to provide a safe and comprehensive network to facilitate bicycling throughout the region. BABC believes that bicycling can and should be a viable transportation and recreation option for all of the wonderfully diverse residents of the Bay Area.

8. WALKSacramento

Teri Duarte, Executive Director, WALKSacramento

Email: tduarte@walksacramento.org, phone: 916-446-9255

Website: http://www.walksacramento.org/ 909 12th Street, Sacramento, CA 95814

WALKSacramento works to support and create walkable communities in the greater Sacramento area – for health, for transportation, and for quality of life. Walkable Communities = Communities of Walkers.

9. California Walks

Wendy Alfsen, California Walks Executive Director, Coordinator of Walk & Roll Berkeley

Email: Wendy@CaliforniaWALKS.org, phone: 510-684-5705

Website: http://americawalks.org/

P.O. Box 13143, Berkeley, CA 94712-4143

America Walks is a national coalition of local advocacy groups dedicated to promoting walkable communities. America Walks works to foster the development of community-based pedestrian advocacy groups dedicated to promoting walking, and, when appropriate, to act as a collective voice for walking advocates. To do this, America Walks provides a support network for local pedestrian advocacy groups. America Walks offers advice to these groups about getting started and how to effectively engage public officials and engineering and design professionals.

10. Transform

Joshua Stark, State Campaign Director

Email: jstark@TransFormCA.org phone: 916-706-2035x302

Website: www.TransFormCA.org

717 K Street, Suite 330, Sacramento, CA 95814

TransForm is a non-profit headquartered in Oakland, California. We work to promote world-class public transportation and walkable communities across California. TransForm runs a Safe Routes to School program to help students get safely to and from home and school; coordinates the Great Communities Collaborative to train residents of struggling neighborhoods in how to effectively participate in community planning efforts; analyzes and weighs in on development and transportation plans and projects; advocates for increased and stable funding for public transportation, sidewalks, bikelanes, and smarter planning; and supports the work of ClimatePlan in ensuring that California's landmark global warming laws are effectively implemented.

11. Center for Civic Partnerships/California Healthy Cities and Communities

Joan Twiss, Executive Director, Center for Civic Partnerships Email: jtwiss@civicpartnerships.org, phone: 916-646-8680

Website: http://www.civicpartnerships.org/

1851 Heritage Lane, Suite 250, Sacramento, CA 95815

The California Healthy Cities and Communities is one of the services provided by the Center for Civic Partnerships. California Healthy Cities and Communities is a resource for people who like working to create a healthier community where they live, and their vision is that every person in California can live a healthy, productive life in a clean, safe environment. They accomplish this by working with local leaders to improve the quality of life in California communities. Their multi-disciplinary staff includes persons with expertise in public health, public administration, community and organizational development, communications and anthropology.

12. Urban Land Institute (ULI)—Sacramento Chapter

Alan Telford, Vice Chair, Infrastructure Council Website: http://www.uli.org/ phone: 916-833-7401 660 J Street, Suite 390, Sacramento, CA 95814

The Urban Land Institute provides responsible leadership in the use of land to enhance the total environment. Founded in 1936, this nonprofit, multidisciplinary real estate forum facilitates the open exchange of ideas, information and experience among local, national and international industry leaders and policy makers dedicated to "creating better places." The mission of ULI is to provide responsible leadership in the use of land to enhance the total environment. ULI is a trusted idea place where leaders come to grow professionally and personally through sharing, mentoring, and problem solving, and ULI members commit to the best in land use policy and practice.

13. Sacramento Metropolitan Air Quality Management District

Chris Morfas, Legislative Liaison, AQMD

Email: cmorfas@airquality.org, phone: 916-874-2876

Website: http://www.airquality.org/index.html

777 12th St., 3rd Floor, Sacramento, California 95814-1908

The AQMD's overall mission is to achieve clean air goals by leading the region in protecting public health and the environment through innovative and effective programs, dedicated staff, community involvement, and public education. The AQMD's work involves interaction with local, state and federal government agencies, the business community, environmental groups, and private citizens.

14. California Transit Association

Sabrina Means, Legislative and Regulatory Advocate, California Transit Association

Email: sabrina@caltransit.org, phone: 916-446-4656 Ext. 1019

Website: http://www.caltransit.org/

1415 L Street, Suite 200, Sacramento, CA 95814

Founded in 1965, our primary functions are to provide legislative advocacy, member outreach and educational support. We are proud to have a diversified membership of over 200 individuals and organizations, ranging from local governments to industry suppliers and manufacturers to public transit operators. Please read on for the latest in Association services, special events and government action which may affect the world of transit, and feel free to E-mail us with any questions or points of interest!

15. California Association for Coordinated Transportation

Jacklyn Montgomery, Executive Director, California Association for Coordinated Transportation

Email: jacklyn@calact.org, phone: 916-920-8018

Website: http://www.calact.org/

1010 Hurley Way, Suite 140, Sacramento, CA 95825

CalACT is the largest state transit association in the United States, with nearly 300 members dedicated to promoting professional excellence, stimulating ideas and advocating for effective community transportation.

16. California Energy Commission (CEC)

Larry Rillera, Land Use and Energy Planning

Email: Larry.Rillera@energy.ca.gov, phone: 916-651-6178

Website: http://energy.ca.gov

1516 Ninth Street, Sacramento, CA 95814

The California Energy Commission (CEC) provides leadership, policies, and programs with respect to energy planning, power plant licensing, energy efficiency, research, fuels and transportation, and land use planning.

If you have any changes to this document, please contact Emily Mraovich at emily.mraovich@dot.ca.gov or call (916) 653-3087.
